DIYA  
MINERALS

(UNIFYING DIYA MARBLES & DIYA GRANITES)

# PRODUCT LOOKBOOK

STONE IS ETERNAL  
AND SO IS A LEGACY BUILT ON TRUST.

# THREE GENERATIONS. ONE MISSION.

**Goutam Kabra**  
The Visionary Founder

Built the foundation from Makrana's marble hub known for impeccable integrity and sourcing excellence.

**Gourav Kabra**  
The Strategic Expansionist

Joined the family enterprise in 2008, spearheaded granite diversification and widened Kishangarh's operations.

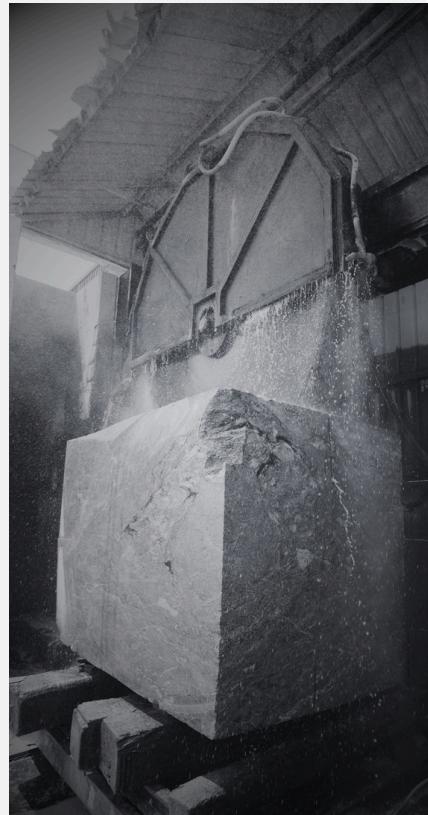

**Vedant Kabra**  
The Next-Gen Innovator

Brings fresh, digital, global perspectives, focusing on sustainability, customer experience, and design innovation.

# DIYA MINERALS

YOUR NATURAL STONE AND MARBLE BUSINESS.

## ABOUT US

At Diya Minerals, we specialize in sourcing, crafting, and delivering the finest quality Indian marble, granite, and exotic natural stones to clients across the globe. With decades of experience and a deep-rooted presence in Rajasthan, we bring both tradition and innovation together to shape timeless spaces.

We are committed to excellence — from quarry to quality inspection — ensuring that every slab we provide meets the highest global standards in durability, aesthetics, and sustainability. Whether for residential, commercial, or architectural use, our materials speak of unmatched craftsmanship and natural elegance. Driven by precision, backed by heritage, and powered by passion — we are more than just a supplier; we are partners in every project's foundation.

EXPLORE OUR

# STONE

PORTFOLIO

## INDIAN MARBLE

Premium white, beige, pink, and brown marbles sourced from India's finest quarries. Perfect for flooring, walls, and interiors.

Statement stones (Alaska Gold, Ferry Grey, Apple Green)

## INDIAN GRANITE

Strong and versatile stones ideal for both indoor and outdoor use. Available in blacks, reds, browns, and greens.

Rich blacks, reds, grays (e.g., Diamond Black, Panther Black, Brazil Brown)

## EXOTIC GRANITE

Rare, high-impact stones with unique patterns and colors. Ideal for luxury interiors and statement applications.

Elegant whites, pinks, browns (e.g., Rajnagar, Morwad, Raymond Pink)

# STONE CATEGORIES AT A GLANCE

## Finishes & Textures

Choose from polished & honed finishes to suit your design and functional needs.

## Custom Sizes

Cut-to-size solutions tailored to your project. Available in various slab sizes, thicknesses, and edge profiles.

## Applications

Our stones are used in homes, hotels, temples, and offices for flooring, façades, countertops, and more.

## Sustainability & Export Info

We follow ethical sourcing, water recycling, and global export standards for eco-friendly, world-class service.
